LITERALLY GONE TO DOGS

Says Fitchburg Woman, Who Is Suing For Divorce.

Fitchburg, Mass., Oct. 18.—Because Dr. McAuslin of this city kept eighteen pet dogs in the kitchen, Mrs. Mary Agnes says her husband was all right until he became interested in dogs. Since that time she declares he has lost all interest in her and devotes most of his time to his pets.

Mrs. McAuslin, who has left her husband, also charges that he threatened her several times when she refused to care for his canine family. Dr. McAuslin has made no answer as yet. He has conferred with his wife's attorney, and stated that he was perfectly willing his wife should keep away if she did not want to have his dogs about.

William Hanson, committed to the lock-up in Poultney for intoxication, nearly ended his life there Sunday by hanging himself to the bars of his cell by his suspenders. It was only after hard work that he was resuscitated.

George Goodrich fell from a van of the Baker Junk company in Bellows Falls, Tuesday, and striking his head on the pavement, dislocated his shoulder and cut his scalp. He was carried home, but owing to his age, nearly 68, it is doubtful if he will recover.

Murray Phillips committed suicide at the home of Guy Ross of Huntington some time during the night Sunday by shooting himself in the head. The deceased was a son of Mrs. Susan Phillips of Huntington and was about 27 years old. He returned home Sunday from Boston, where he had been on the excursion.

Dodo LaBree, aged 38 years, deaf and dumb, was struck by a freight train near Walden depot Monday and fatally injured. He was thrown into the air fifteen feet and a distance of several rods, sustaining a fractured skull, broken ribs and severe injury to one side of the head. He was carried to the hospital at the Vermont State Prison. He was chosen representative four times from the town of Plymouth and seven times from Windsor. He also served several terms in the Senate, and has filled nearly all the town offices. He was deacon of the Baptist church and attended services, although he could not hear a word of the sermon. He had voted for president every year since Martin Van Buren's time. Mrs. Pollard died Dec. 25, 1900.

Why Women Suffer

Many Barre Women Are Learning the Cure.

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness. Irregular urinary passages, weakness, languor—

Each a seeming torture of itself. Together tell of weakened kidneys. Strike at the root—get to the cause. Quickly give the help the kidneys need.

No remedy endorsed like Doan's Kidney Pills. Recommended by thousands—Endorsed at home.

Here's convincing proof from a Barre citizen.

Ella Reaside, 88 South Main Street, Barre, Vt., says: "I gladly recommend Doan's Kidney Pills, for they have done me more good than any other remedy I ever used. I suffered greatly from distressing backaches and severe pains in my kidneys. I could hardly get around and was unable to sleep well at night. I also had severe headaches and spells of dizziness. I finally used Doan's Kidney Pills as directed and they gave me entire relief. I have not had trouble from my back or kidneys since."

States court in this city in November.

The term of court which was set for October 24, with petit jurors in attendance, will be continued until November 21 at 9 o'clock in the morning and it is expected that the Carlyle case will be taken up at that time.

As far as the present federal office holders in Vermont know there has never been a murder case tried in the United States court of this state.

The Carlyle case is taken before the United States court because the murder of the trooper occurred on government property. The man was indicted by the grand jury which met in this city last week. The accused is now in a Burlington hospital, having received a bullet which shattered one of his thigh bones during the chase which followed the commission of the crime.

Should Carlyle be found guilty of murder in the first degree a question may arise as to who will hang him for, as far as known, there are no precedents to follow in this state. In the state courts this duty falls to the high sheriff and the office of marshal in the higher courts corresponds in a way to that of sheriff.

\$15,000 BAIL FORFEITED

In case of Man Alleged to Be in a Pickpocket Game.

Rutland, Oct. 19.—Bail to the amount of \$15,000 was called and ordered forfeited because of the non-appearance of the respondent in the case of William McNellis, alias T. E. Edwards of Boston, who was arrested early last summer for complicity in picking the pocket of a Steptown, N. Y., man at the Rutland depot. He spent some time in the county jail but was finally released when a pretty woman came to this city from Lowell, Mass., with the necessary cash to cover the amount of his bail, T. W. Maloney being named as bondsman.

A jury was then drawn to try the case of Charles O. Summer of this city vs. Oscar Potter of Clarendon, an action to recover \$3,000 for assault. Summer claims that Potter poured kerosene over his right foot and deliberately set it on fire while he was asleep at the defendant's house last winter. E. H. O'Brien and C. V. Poulin are counsel for the plaintiff and T. W. Maloney and G. W. Platt appear for the defendant.

Judge W. W. Miles directed a verdict for the defendant in the case of J. N. Chubb of Brandon vs. Glenn Robinson of St. Johnsbury. The suit involved about \$200 for keeping a horse. The verdict was directed on the ground that the defendant's father acted beyond his authority in pledging his credit.

About the State

Mrs. Harriet D. Hinds of Pittsford has been granted a patent on a fruit jar wrench which she has invented.

Elroy Kent has been put in solitary confinement at the Windsor prison, to await his execution by hanging on January 5, 1912.

The postal savings department of the Windsor postoffice has been in operation since August 19, and no deposits have as yet been placed in it.

Charles H. Moore of Springfield has filed a petition in bankruptcy with Clerk F. S. Platt of the United States court. His liabilities are \$750, and he gives his assets as \$50, exempt.

W. H. Griswold, for over fifty years town clerk of Jeffersonville and for the same length of time a member of the Masonic fraternity, died last Thursday, after a long period of ill health.

John L. Norton, a student in the Rutland high school, was accidentally shot in the ankle, when out in the Mendon woods. The rifle was of 22 calibre and the bullet entered the boy's foot just below the ankle.

Everett Atkins, the ten-year-old son of Mr. and Mrs. James Atkins of Jonesville, who was injured by the explosion of a blank cartridge thrown away by the colored troops as they passed through that place en route to the encampment at Bolton, died Oct. 11.

About 2,300 running feet of cement sidewalk have been built in Bennington the past season and the village will be asked at the next annual meeting to appropriate double the amount for sidewalks that was appropriated this year.

William Hanson, committed to the lock-up in Poultney for intoxication, nearly ended his life there Sunday by hanging himself to the bars of his cell by his suspenders. It was only after hard work that he was resuscitated.
